Why In Udaipur?

The city of Udaipur is a lovely land around the Azure water lakes hemmed in by the lush hills of the Aravalis. A vision in white drenched in romance and beauty. Udaipur is a fascinating blend of sights sounds and experience-an inspiration for the imagination of poets, painters and writers.

Udaipur has all major tourist attraction but the way it look beautiful from land it looks more beautiful from sky. So just book your seats today !!

Why fly with us ?

Know your helicopter before you book any tour. The helicopter you fly in makes a huge impact on the quality of your experience.

 We fly 3-4 seater Robinson Helicopters which provided excellent safety, reliability and superior comfort.

 The spacious cockpit provides one passenger seat in the front and rest passenger seats in the rear of the Helicopter. The open cabin allows for unobstructed viewing.

 Air-conditioned cabins for more comfort.

 **BOSE** Two way Intercom permits spontaneous communication with our pilot.

 Eco-friendly tourism leading the way in responsible tourism in Udaipur.

Safety & Security

During our operations we provide following Safety & Security measures for our passengers :-

- We will provide security through out the operations for complete Frisking of passengers before boarding into the Helicopter.

- Regarding Insurance in respect to Public Liability each passenger will cover an Insurance of Rs. 10 lacs as per DGCA norms.

- We will provide a fully equipped Ambulance & Fire fighting equipments during our operations.

- There will be experienced AME Engineers & Technicians team for maintenance of our Helicopter at all the time at our base.

The experience on our Private Helicopters & Jets is a combined flourish of beauty, convenience but most importantly is Safety. Our standards are renowned through the industry with our clients only experiences the best of what we can offer.

Even before the COVID-19 pandemic, we always looked after our passengers but with an ever changing environment, we have had to ensure we are the most up to date of everyone.

We at Shree Mewar Aviation LLP make a dramatic effort to only use the Best Aircrafts, Sanitization before every flight, handling agents and catering companies so there is nothing left to chance. This approach is taken into every aspect of our client's journey to make it Safe & Secure.

SAFETY IS IMPERATIVE !

The main priority of those who are traveling with us is the safety during their journey.

The privileges to hire a chartered aircraft through us is Privacy, Convenience and extra comfort & care given to each passenger. We have taken excessive measures to ensure our each client is happy.

Shree Mewar Aviations constantly monitor the WHO, Public Health Regulatory and all Aviation Regulatory Bodies to ensure our clients safety and comfort. We will work above and beyond to make sure those travelling with us feel totally at ease.

Shree Mewar Aviation & Mewar Helicopters experience in Private Helicopters and Jet Charter is something we pride ourselves on. Our boutique team collectively holds over 10 Years of experience in their roles which enables us to give our clients the best standards available to date.

COVID-19 has created difficulty for every industry with lessons being learnt every day. Many customers and operators alike are finding the current situation challenging. Thankfully our team is highly experience in performing a number of Private flights and are finely tuned to the technical and operational nuances involved will performing such flights during this situation.

Working around the clock to service our clients we aim to limit the stress of our clients as much as we possibly can.
